**w:** <http://amy.tenkuu.net>

1591 Pinewood Way  
Milpitas, CA 95035

## objective

Pursuing an internship in the field of graphic design that will expand and broaden my experiences as a designer.

## education

August 2003 – Present  
San Jose State University, San Jose CA  
BFA Graphic Design, Minor Photography  
Major GPA: 3.69/4.0  
*Expected graduation May 2008*

## software skills

Skilled in Photoshop, Illustrator, InDesign, GoLive, Dreamweaver, and Microsoft Office applications. Compatible with MAC and PC platforms. Knowledge in HTML/CSS.

## experience

### San Jose State University, Associated Students

*Graphic Designer*  
July 2006 – Present

Designed various projects in print medium including posters, event calendars, brochures, and t-shirts for University organizations and student-run departments.

### Umbra Photography

*Graphic Designer*  
February 2007 – Present

Collaborated with San Jose-based freelance photographer, Brandon Lo and designed an innovative identity for up and coming photography studio.

### City of San Jose, San Jose Japantown

*Graphic Designer*  
March 2007 - April 2007

Designed a logo celebrating the 50th anniversary of sister cities San Jose, CA and Okayama, Japan. Collaborated with a design team to create celebration banners to be posted around downtown San Jose.

## organizations

### SJSU NEO Graphic Design Group

Event Coordinator 2006 – 2008

Organized educational design events, helped coordinate senior graduate exhibition design show, and arranged university lectures from leading design professionals.

## accomplishments

### Dean's Scholar

2004 – 2006 school year

### Icograda Design Week: Seattle 2006

Participated in a week-long conference to create a poster for one of seven UN Millennium Development Goals at the International Council of Graphic Design Associates (Icograda).

### Graphic Design USA's Annual Inhouse Design Awards

Received awards for selected work and publication in July 2007 issue of GDUSA. Competition recognizes inhouse designers and teams.

### Sacramento Fine Arts I-Designed It Exhibition, sponsored by Yahoo!

Work displayed at the Sacramento Fine Arts design show exhibition for the month of January 2007.
